Discover the brand new Macmillan English Campus

Macmillan's flagship English language practice platform celebrates its 14th birthday in 2017 with a brand-new edition that comes complete with a fresh look and feel, improved navigation and full mobile and tablet compatibility.

www.macmillanenglishcampus.com

for you

Macmillan English Campus provides a wealth of practice activities, covering a wide variety of domains (e.g. Business English, General English, Academic English or Exam Preparation) and all language levels. Activities are suitable for teenagers through to adults:

- Automated scoring saves you time and the gradebook allows check your students' progress at a glance
- You can access the content and your students' records from your laptop, tablet or mobile phone, wherever you are.
- The easy-to-use course and test-building tools make it easy for you to integrate the **Macmillan English Campus** into your existing syllabus
- Teachers can choose between over 60 pre-built courses and more than 5,000 activities covering the four communicative skills of reading, writing, listening and speaking

for your students

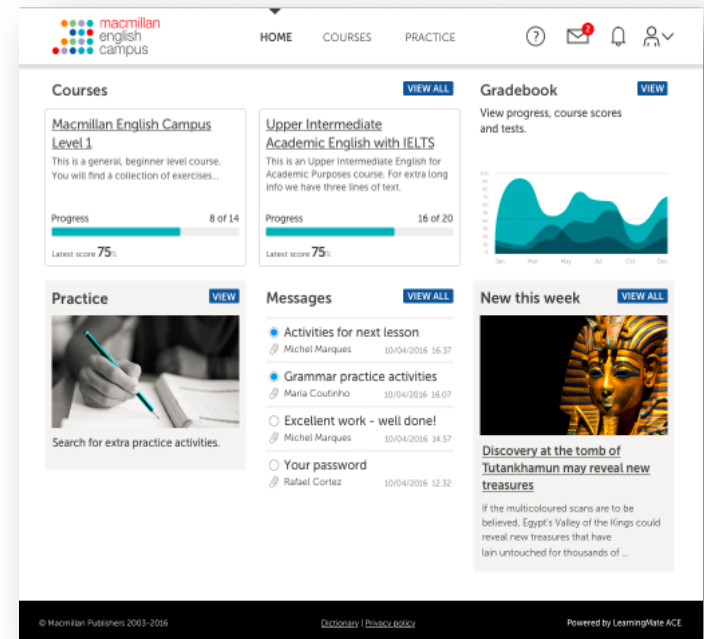

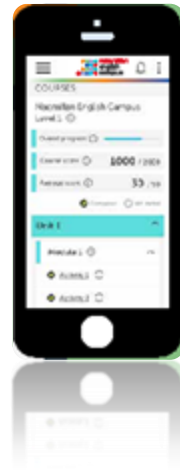

You students are given complete flexibility to practise at home, in class or on the go, whether they are using a laptop, a tablet or their mobile phones:

- Automated scoring gives them immediate feedback on their work and detailed progress checks
- They can access a bank of extra activities including grammar videos, voice recording activities and weekly news articles at all language levels
- They can access their homework, courses and gradebook from a laptop, tablet or mobile phone
