WHAT HAPPENS IN AN ONLINE CLASSES

Nino Nozadze

The kings and queens book club is the perfect place for gregarious people like me. In book club, everyone can pile up some new friends, interesting information, some aptitude, and experience. This place helps to intensify my English level and every single activity brings me huge gratification.

Nutsa Elgandashvili

I have many reasons to love book club. Here I read different books, discover great authors and characters, and make my own stories. It's the place where I meet new teachers and make new friends.

Above all, I have fun-Bookish fun.

QUIDDITCH

INTELLECTUAL

COMPETITIONS

Quidditch Intellectual Competitions was established in 2015 and the main idea of this game is to make English Language Learning fun and obviously gain the skills such as: Critical Thinking, Team Working, speaking in English and even thinking in English.

Every question in this game is customized to the grade and age. So, none of the questions are difficult, they are written in a such way to be seen complicated.

ABOUT THE GAME:

1

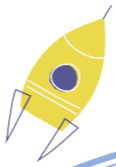

There are **10** question per game out of which, **4** are logic questions, **1** is a picture question, Sherlock Holmes question and **2** are GMAT questions. The last question is called '**Captian round Question**' where captain of the team chooses the team member with whom he/ she will play the last round.

2

The rules are introduced by the hosts begining of every competition.
