

CELTA NILE TEFL

What is Cambridge English CELTA?

The Cambridge Certificate in English Teaching to Adults is an initial qualification for people who want to become teachers of English as a foreign language but have little or no previous teaching experience. It is the most highly regarded and widely recognised qualification for new English language teachers and is awarded by **Cambridge English**, which is part of Cambridge University. The course focuses on the principles of effective teaching, provides a range of practical skills for teaching English to adult learners and gives hands-on teaching practice.

Why enrol for a CELTA with NILE TEFL?

NILE is Norwich Institute for Language Education. It was established in 1995 by Directors with extensive experience of ELT worldwide as a specialist teacher development institute and is now the biggest single provider of professional development courses for EL teachers and trainers in Europe. NILE became the only official Cambridge ESOL (now Cambridge English) CELTA centre in the Norwich region in October 2006, having trained CELTA trainers in the past and set up CELTA centres. We are pleased to report a very high pass rate on all of our courses (99% since 2006) and excellent reports from the external assessors. Since 2011 CELTA at NILE has been run by INFO TEFL, trading as NILE TEFL, a separate management structure set up to meet the formal requirements of running Cambridge CELTA and Delta programmes.

Our trainers all have international reputations in their particular specialist fields, with extensive experience of designing and delivering courses for teachers, as well as of teaching English. In addition to this, many different teachers from around the world take courses at NILE throughout the year, so you will have excellent networking opportunities, paving the way for your future career in ELT. We are also frequently asked by institutions worldwide to recommend teachers and have formal placement links with some schools.

What does the CELTA course involve?

The course includes:

- 6 hours of teaching practice and feedback
- 6 hours of observation of experienced teachers in the classroom
- 50 hours of practical input sessions on methodology, language awareness, phonology and professional development
- 20 hours of lesson preparation, initially supervised by the course tutors
- 4 written assignments
- At least one individual tutorial to review progress
