

**PTE Academic - ready when you are**

*free webinar series*

**Open new teaching horizons.** Widely accepted across the world for study and immigration purposes, the fast, secure and reliable PTE Academic test is gaining recognition in institutions across Europe.

Be among the first teachers in your region prepared to help students get ready for PTE Academic and create new opportunities.

Our **series of five free webinars** will pave the way for you and your test takers.

Take part in **all five webinars** and receive a Ready to teach PTEA certificate to become part of our PTEA test preparation teaching community. Sign up today to secure your place.

Help your students be ready.
