LUCY

I share my bedroom with my sister. There are two comfortable beds and two small tables next to them. I've got a lamp on my table and I often read in bed at night. Above my bed, there are cool posters of my favourite bands. In the corner, there's an old wardrobe for our stuff. Our room is never messy because we like to keep it tidy. When my friends visit, we sometimes listen to music or watch funny videos on our phones. There isn't a TV in my room, so I always watch TV in the living room.

JACK

I always study in my room because it's quiet and I've got my computer and my books are there. There's a big TV on the wall and I often watch films from my bed at night or football matches at the weekend. I've also got a new games console and I usually play games with my friends when they visit. Near the bed there's a desk with a comfortable chair. There isn't a wardrobe because it's a small room. My room is usually tidy, but sometimes I don't have time to clean it and it's messy!

MY NEW ROOM

by Elena

Wow! We are in a new house and I've got my own bedroom! I'm very lucky. My sister has her own room, too. 😊
My room's got a very big window and my desk is in front of the window. When I do my homework, I see the people walking in the street. It's very interesting and sometimes you see some funny things. On my desk there's a computer, but I only use it for games and for school.

I've got a wardrobe – it's new but it's very small! I haven't got many clothes but I do a lot of sport, so there are lots of things in the wardrobe! In my room, I have a small piano, too. I practise every day because I want to be really good at playing it.

There's a very big board on one wall. I put notes about the dates of my sports matches, or my projects for school on it. On another wall, there are four shelves. I put all my books on them. There's a big chair in the corner. I like to sit there and read.

I'm always happy in my room – it's warm and I relax there. I want to have more space for my things. But I love my room because it is my own.

- 3** For each question, choose the correct answer.

Writing

Writing exam tip

In writing exams, when you need to write a note, remember ...
Read the task carefully. Look at the three pieces of information you need to write about. Make notes on some rough paper. Use the notes to make sure you include all the information.

- 1 SPEAKING** Talk about the activities you like to do in your free time.
- 2** Read this task and write some notes. Write one piece of information for each point.
You want to ask your English friend, Alex, to do an activity with you at the weekend. Write a note to Alex.
 - say which activity you want to do
 - ask Alex to do this with you
 - say when to meet to do the activity.
- 3** Write your note to Alex. Write 25 words or more.
- 4 SPEAKING** Show your note to a partner. Check together. Has your partner's note got:
 - 1 some information about all three points?
 - 2 the correct punctuation and capital letters?
 - 3 correct grammar (tenses)?

Free-time activities in your country

1 SPEAKING Starting point

Look back at the Culture exchange text about the free-time activities of UK teens on page 38. Is the information similar in your country?

2 SPEAKING Project task

Search for information on the Internet about free-time activities for teens in your country so you can explain it to a class of teenagers from another country. Prepare one of these:

- A poster
- C video message
- B presentation
- D information leaflet

Research areas

- how much time teens spend online
- the main activities they do online
- how many hours a week they watch TV
- how much time they spend with their friends
- how many hours a week they do homework
- other free-time activities teens do

3 Think about ...

Digital skills

Look at the websites of good newspapers. They have useful information about many different topics in their news stories and articles.

Intercultural awareness

In other cultures, free-time activities are sometimes very different. It is possible some people from other countries think your free-time activities are interesting or unusual. Explain what is different about free-time activities in your country compared to hobbies in the UK.

Collaboration

When you work in a team, it's important to show others you like their ideas. When you don't like an idea, say it but be polite.

Useful language

*Great idea! That's a really good idea! I like your idea.
I'm not sure about that. Let's think about it again.*

Academic skills

When you use information from the Internet, remember to include in your project where it is from. One way of doing this is to add the author, title of the web page, date you accessed the web page and URL (web address).

4 SPEAKING Project time

Do the project. Then present it to the class.

5 Evaluation

Give each project a mark from 1 to 5 (5 = very good) for these categories.

Content	<input type="checkbox"/>	Design	<input type="checkbox"/>
Presentation	<input type="checkbox"/>	Language	<input type="checkbox"/>

Exam Success sections in the Student's Book provide tips and thorough practice for Cambridge exams. Further exam practice is waiting for students in the Workbook.

The **Virtual Classroom Exchange** helps students connect, communicate and interact with other students around the world.

Collaborative Project lessons expose students to real-world language and create a natural need for communication while developing important academic, digital, social and work skills.
